Publicity Chair
May 2022 - Present (1 year)
Ithaca, NY

Designed publicity materials for CSA events and functions; oversaw operation of organization social media accounts such as Instagram, Facebook, and Tiktok; lead marketing campaigns for CSA cultural and social events and other activities on social media and on campus. Informed the general body and larger public of CSA news and other information in a creative fashion; maintained an archive of club activities in photographs and videos; assisted in the writing of weekly newsletter and the maintenance of the organization website.

Freshmen Representative

October 2021 - May 2022 (8 months)

Ithaca, NY

Chosen as one of two freshmen representatives to act as a liaison between the freshmen class and the executive board. Attended weekly meetings and organized semesterly fundraisers as freshmen representative; submitted event registration forms, designed advertisement for fundraising events, contracted vendors for food supplies and acquired necessary supplies. Assisted in the planning and marketing of social and cultural events by producing publicity material for social media.

Forté Campus at Cornell

1 year 2 months

Senior Member

March 2022 - Present (1 year 2 months)

Ithaca, NY

Advised on the on-campus marketing strategy for nonprofit Healthy Foods For All to increase fundraising efforts through providing creative campaign materials and communication channels to student organizations and Cornell staff. Analyzed numerical and qualitative data presented in a case study project on a hypothetical hospital expansion into cancer treatment and collaborated with partner to present final team solutions to the 35 general body members of Forté. Honed business skills through the semester long New Member Education Series; gained soft and technical skills necessary for success in the workplace by attending biweekly professional development workshops.

Alumni Chair

June 2022 - January 2023 (8 months)

Ithaca, NY

Met with fellow chairs on executive board biweekly to discuss functions within organization; maintained and updated Forté's alumni database and

all communications with Forté's alumni, including sending out newsletters, managing feedback, and organizing meetups. Connected current members with alumni in specific industries and companies of interest; add seniors to the database and survey about what types of engagement they want going forward; planned alumni meet-ups during breaks or when alumni return to campus.

Cornell Society of Women in Business

Analyst

March 2022 - May 2022 (3 months)

Ithaca, NY

Gained business experience through a ten-week series of professional development workshops and team-based projects. Undertook a 10-week series of professional development and diversity and inclusion workshops led by senior members. Researched the use of blockchain in the fast food industry, specifically Burger King's usage of NFTs; worked with 3 fellow analysts to consolidate information in a final powerpoint deck and presented to 60 members of the general body.
