Summary

I enjoy showing my art in the Kansas City and surrounding area. I promote color therapy, art therapy and donate art supplies to shelters, boys and girls clubs, adult rehabilitation centers and Salvation Army. My main goal is to show my art to the eyes and hearts of people. I am shy but started showing on Instagram a couple years ago and thankfully the art truly shows itself. I am a surrealist and also use music for art stimulation. I greatly enjoy painting and drawing in a traditional, original and surreal fashion. At times I feel I am from the past...or maybe the future because my art is so very strange, but my delivery comes ultimately from my imagination. I pull emotion from situations and nature... I dive into the subject I have in mind and create with a surgical touch. I paint anything from ancient ships to hummingbirds, Angels, fairies, monsters, eyeball portraits from a person, in reflection of their own personality. I custom and commission at times if an agreement is made. I love exploring all area's of art. I work with all mediums. Enjoy my entire show on Instagram @StrangeArtKC101 gallery show for free. Please follow the fun action I'm now intertwined in. I follow the art. I deliver the image to the canvas. Artist at ♥# I can paint for you.
