Miami, Florida, United States

Summary

>> Technical Leader having more than 18 years of experience (including 15+ years in USA) in the IT industry.

>> A Well-Rounded Athlete – Like a true athlete, I understand that we succeed or fail as a team. I am always ready to step up beyond my core responsibilities and go the extra mile for the project and my team. I nimbly overcome barriers to deliver the best products more quickly than expected.

>> A Perpetual Student – I seek knowledge and insight. I challenge myself to turn moments into master's classes. Whether closing a gap, developing a new skill, or staying ahead of my industry, I revel in the joy of learning and growing.

>> An Inventor at Heart – I innovate on behalf of my customer by proactively implementing improvements, enhancements, and customizations. My customers marvel at my creative solutions to challenges they had not yet identified.

>> A Fearless Explorer – I am drawn to take on the hardest problems, navigate ambiguity, and battle skepticism. I never settle, even in the face of overwhelming obstacles.

>> A Trusted Advisor – I work closely with stakeholders to define key business needs and deliver on commitments. I enable effective decision making by retrieving and aggregating data from multiple sources and compiling it into a digestible and actionable format.

>> A Skilled Communicator – I excel when interacting with business and technical partners whether I am chatting, sending a written message, or conducting a presentation.

>> Experienced in Insurance, Investment, and Media & Entertainment domain.

Specialties: Innovation, Agile/Scrum, Project Coordination, Requirement Analysis, Testing, Documentation, PMI Methodology, Risk Management, Value Engineering and Mentoring
