# Claudio Aldana Rosenberg

Director Machine Learning Scientist  
Seattle, Washington, United States

## Summary

A data-driven and entrepreneurial leader, I have a passion for using machine learning to solve complex business problems. As a Data Science Director, I have successfully built and led teams that have trained and deployed numerous machine learning models in production, resulting in enhanced customer experiences and increased revenue. My strong work ethic and technical expertise make me an asset to any organization looking to leverage the power of AI.
