Matthew Hall

Machine Learning, DevOps, Finance

Rochester, New York, United States

Summary

I am a highly motivated and creative individual who can tackle complex analytical problems and turn data into actionable insights to directly solve business problems. I have entrepreneurial experience working in multiple startups, ranging from industries of fashion to FinTech, and seafood supply chain. During my time at Simon Business School, I've been a Python Data Science trainer, running weekly technical seminars, while also being a Graduate Teaching Assistant and Tutor.

Tools of Choice: Python, R, SQL, Machine Learning, Neural Networks
